NUMBER OF POSTS OVER Rs. 100

234. (e) Mr. K. T. Achyutan *(Ezhuvas-Talappalli):* Will Government be pleased to state:—

the number of appointments officiating and permanent made in the regular grades of all departments from outside the initial salary of the grades being Rs. 100 or above, of the State, including the National War Front, War Publicity Departments, in the years of 1117, 1118 and 1119 and the respective communities to which they belong?

Rama Varmha Tampuran *(Secretary to Government):* The available information is given below.—

		1117	1118	1119
Nayars	..	6	9	1
Ezhuvas	..	1	1	nil
Christians	..	7	12	4
Muslims	..	1	1	1
Tamil Brahmins	..	2	2	nil
Anglo Indian	..	1	1	nil
Ambalavasi	..	1	1	1
Kshatriya	..	nil	3	1
Jew	..	nil	1	nil
Total	..	19	31	8

Mr. K. T. Achyuthan *(Ezhuvas-Talappalli):* May I know whether it is not the recognised policy of the Government to give appointments to unrepresented or under-represented communities like the Ezhuvas, and why that policy has not been followed?

Rama Varmha Tampuran *(Secretary to Government):* It is very difficult to answer such a general question as that. For one thing, when I looked into these lists, I found that quite a number of these appointments were of doctors. Most probably men professionally qualified from that community to hold that post were not available. Then there might be some other reasons also. So, unless a specific question is put, it is difficult to answer.
